Look at me  
It really was not easy  
But I can breathe  
And I'm so grateful cuz I can see  
I am free  
To do exactly what I please  
So come with me  
To a place where we can be  
Ooooooo

Chorus:

Oooo, Oooo  
I wanna touch the sky  
I wanna fly so high  
Oooo, Oooo  
I wanna hold you  
I wanna love you tonight  
Oooo, Oooo  
I wanna touch the sky  
I wanna fly so high  
Oooo, Oooo  
I wanna satisfy  
I wanna make you cry

Follow me  
To a place where we can be  
Absolutely free  
To be exactly what you wanna be  
Completely  
Lose control  
That's when I need you more  
Give me the key  
To set your hearts and spirits free  
Oooh, yeah

Chorus:

Oooo, Oooo  
I wanna touch the sky  
I wanna fly so high

Oooo, Oooo  
I wanna hold you  
I wanna love you tonight  
Oooo, Oooo  
I wanna touch the sky  
I wanna fly so high  
Oooo, Oooo  
I wanna satisfy  
I wanna make you cry

I know what I want  
And I know that I need it right now  
Gonna take you on a journey to a far away place now  
Gonna take you on a journey to a far away place now
