After all this time I'm thinking:  
"I want to know just what you feel for me."

After all this time I'm thinking:  
"You're gonna be the one who'll set me free."

I love you  
I love you... I love you... I love you...  
[2x]

Can you hear me calling out your name?  
I want your love.  
Can you hear me calling out your name?  
I want your love.

I feel...feel your love.  
I feel...feel your love.

(I feel...feel your love)  
Our love is getting stronger.  
I can see it in my dreams.  
(I feel...feel your love)

It's all I ever wanted.  
Now I know that it's for real.

After all this time I'm feeling  
you're the one who's always  
there for me.

After all this time I'm feeling  
the passion's burning deep inside of me.

I love you  
I love you... I love you... I love you...

I feel...feel your love.  
I feel...feel your love.

(I feel...feel your love)  
You set my soul on fire.  
When I'm with you I have no fear.

(I feel...feel your love)  
You're all I ever needed.  
It feels so right when you are near.
