Sometimes while I'm driving  
Trying to find my song  
Looking for the answers  
And where I do belong  
Finally the children are  
Bringin' me back home

Ooh, ooh, ooh  
Is there anybody out there  
Does anybody care  
Are the people really there?

Ooh, ooh, ooh  
Is there anybody seeking  
Does anybody see  
Or are they deaf and dumb like me?

Sometimes when I'm drivin'  
Lookin' for my song  
Lookin' for the answers  
And where I do belong  
Finally the children are  
Bringin' me back home

Ooh, ooh, ooh  
Is there anybody out there  
Does anybody care  
Are the people really there?

Ooh, ooh, ooh  
Is there anybody seeking  
Does anybody see  
Or are they deaf and dumb like me?

Sometimes when I'm drivin'  
Still lookin' for my song  
Lookin' for the answers  
And where I do belong  
Yes, and finally sweet Jesus is  
Bringin' me back home

Ooh, ooh, ooh

Is there anybody out there  
Does anybody care  
Are the people really there?

Ooh, ooh, ooh  
Is there anybody seeking  
Does anybody see  
Or are they deaf and dumb like me?

Ooh, ooh, ooh  
Is there anybody out there  
Does anybody care  
Are the people really there?

Ooh, ooh, ooh  
Is there anybody seeking  
Does anybody see  
That he died upon a tree?
