There's a place where I come from  
It's the place where I belong  
Where you will never die  
Wipe the tears off from your eyes

Sun and moon and stars above  
Never match this perfect love  
Just look to the painter's hands  
Like an ocean meets it's sand

Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime

Twisted castles in her hair  
Building mountains in the air  
Making profits, lending loans  
Ancient TV's, rotary telephones

But within this misty cave  
Lies a painter, blind but brave  
Paints the story of where we've been  
Where we are, where we could be

Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime

So kiss the light, seize the day  
Shine your shoes, come to play  
Sun is shining, sky is clear  
Leave your worries with your fears

Light eternal, sleep inside  
To my heart and through my eyes  
Bringing in sweetness to my soul  
Close your eyes, be made whole

Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime  
Dige Dige Dime Dime Dige Dige Dime

I will ride my bus, I will ride my bus  
I will ride my bus, my bus, I'll ride

There's a place where I come from  
It's the place where I belong  
Where you will never die  
Wipe the tears off from your eyes

Sun and moon and stars above  
Never match this perfect love  
Leave behind your broken past  
Sing the song, we're free at last
