Put that gun to my temple  
Put that gun on my heart  
Throw my head out the window  
& see semen see semen my feet in the dark

A-I-D  
H-I-V

I  
Cannot wait to die  
Can't you tell  
Can't you tell  
Can't you tell

Never finish my degree, cha-chi  
Never play with the pogues  
Always walk off the plank chi-cha  
All always, always into the dark

A-I-D  
H-I-V

I cannot wait to die  
Can't you tell  
Can't you tell  
Can't you tell
