Sex so evil
Been living oh so evil
I's a bad man
Yeah yes i is bad [x 2]

Little jim
Now i'm an evil
He's jerk
Let's break his heart round his face
Sweet sweet christ

Sex so evil
Been living oh so evil
I's a bad man
Yeah yes i is bad [x2]

Work so hard
Laughing in the face of the deadly
Laugh so hard he got nothing on you
Spit right on her ass and you feel like an evil man
Yeah yes

Sex so evil
Been living oh so evil
I's a bad man
Yeah yes i is bad [x4]
