Maybe a flick that I don't know
Just what to say to you
Could be a losing seducer
Look at me I am cuckoo
Sing the song that breaks your heart
Chronically.

Hey, hey, hey K. M. and K.
So, so scared of being loony
Hey, hey, hey my man B.J.
She won't marry me 'cause I'm too crazy.

Jumpin' around all hectic
Fallin' down on demand
Heir to a life that's icky
Prostrate at your reprimand
Tappin' away at my dream
Do you believe in me
Blowin' my horn, it's over
Do you believe in me
Sing the song that breaks your heart
Chronically.

Hey, hey, hey K. M. and K.
So, so scared of being loony
Hey, hey, hey my man B.J.
She won't marry me 'cause I'm too crazy.
