Verse 1)

Girl, not too long ago you were mine.
Girl, now you've gone and left me behind.
Tell me what did I do to deserve this, and made you
run away?
Guess there's nothing that I could do to make you look
my way.

(Chorus)

If you go (go)
Then baby there's nothing that I can do.
If you should stay (stay)
I'll be loving you forever and a day.
If there is something that you should know.
Baby girl, I'm not ready to let you go.
Ohh, Ohh,
I'm not ready to let you go
Ohh, Ohh,
I'm not ready to let you go

(Verse 2)

Oh Girl, my mind is going crazy for you.
And Girl, with all the silly things that we do,
I'm still missing you (yeah)
Tell me what did I do to deserve this and made you run
away?
Guess there's nothing that I could do to make you look
my way.

(Chorus)

If you go (go)
Then baby there's nothing that I can do.
(Nothing that I, Nothing that I)
If you should stay (stay)
I'll be loving you forever and a day
If there is something that you should know.
(Something that you should know)
Baby girl, I'm not ready to let you go
Ohh, Ohh,
I'm not ready to let you go
Ohh, Ohh,

I'm not ready to let you go

(Chorus x 2)
