Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky
Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky

Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky
Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky

Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky
Gorgeous little baby
Iâ€™d do anything for you
Gorgeous little baby
I know youâ€™ll get me thru

Gorgeous little baby
You make me wanna fly
Iâ€™m spinning like a shooting star
Falling thru the sky
Gorgeous little baby
Iâ€™d do anything for you
Gorgeous little baby
I know youâ€™ll get me thru
