(Come on and ride)
(Come on and ride)

I do what I wanna do
That is what I ask of you
Everybody have some fun
You can put your gucci's on

Baby what you see is what you get
Don't you waste your time on that regret
Come together now, get ready set
If you want it do, you can make everything come true

Chorus:
Ride, ride on time
Come on, we got it going on
Ride, ride on time
Come on, we got it going on

(Ride on time)
(All you gotta do, is make a ride - talking)
(All you gotta do, is make a ride - talking)

Live your life until you die
All you have to do is fly
Don't you care what people say
That wont make a better day

Baby what you see is what you get
Don't you waste your time on that regret
Come together now, get ready set
If you want it do, you can make everything come true

Chorus x 2

(Yeah, get ready, get set - talking)
You gotta ride
(Ride on time)
(We got it going on - talking)
Live your life until you die
(Ride on time)
(You gotta ride)

All you have to do is fly
(Ride on time)
(All you gotta do, is make a ride - talking)

Chorus

Come on and ride
(Yeah, yeah)
You gotta ride on time, come on
Come on and ride
Come on and ride on time
Come on, we got it going on
