[Man #1:]

Plex adventured across young north pole
Where off in the tach by teenage members of a new
gang called The Spook Hunters
Roll of a hand full of other gangs active at this time
It was only natural for all these newest resedents to
respond in kind.

[Man #2:]

As white attack started to increase their new mid-19
40's
And the late 19 40's and black started to organize their
clubs
Really as a defensive magnesm and the boss man and
the business man
And the snideal boys and all these clubs in South Ballet
Really were just sort of defending themselves again
So I finally step is coming from Honey to Park and
South Gate.

[Man #1:]

Well then why isn't the black panthers in Los Angeles?
You said they'd be in another blade to a generation of
black teenagers
With witness many other role models accacinated
through out the 1960's.

[Man #3:]

What I'm sayin' is so many words they should've let the
panthers went on
Because if I would not be no personal blood.

[Ice Cube:]

Yeah.
You know what?
Come on.
Yeah.
