At these up late times, hardcore funkateers before the
bop gun.

We unleash you a positive light. The bop gun can do
you no harm.

It frees yo mind, so yo kind can follow. (Yeahhh.)

So wide you can't get around it

So low you can't get under it

So high you can't get over it

IIIIIII, can't get over it

Ah yaaaaaa, di-dit-dit-dit-dit

Ah yaaaaaa, di-dit-dit-dit-dit

Ah yaaaaaa, di-dit-dit-dit-dit

Ah yaaaaaa, di-dit-dit-dit-dit

Well all right!

Ah yaaaaaa, di-dit-dit-dit-dit

Attention all radio station jocks ...

Ah yaaaaaa, di-dit-dit-dit-dit

haw haw, got to be groovin' jammin' on yo box.

Ah yaaaaaa, di-dit-dit-dit-dit

The Mothership Connection is upon you again.

Ah yaaaaaa, di-dit-dit-dit-dit

Yeah, workin' up a sweat, is it wet yet?

Ready or not, here we come

Getting down for the one which we believe in

[Verse 1: Ice Cube]

1993, much more ba-e-ya-e-younce

Ice Cube comin' with the half ounce

Not Just Knee Deep, jeep fulla smog

A, To, mic, Dog

Like ya behind, heard it through the grapevine

How much longer will you be mine?

And I'ma tell ya, I don't like drama

So do I have to put my handcuffs on your mama

'Cause Bertha Butt did her fuckin' boogie with her crew

But I'd rather fuck you, boo

And make you say humdrum, tweedee dum

Humdrum don't succumb when I'm done, buckin' shit

One nation under a groove gettin down for the fuck of

it

Tear the roof of this motherfucker like we did last
night, son
And hit you with the bop gun

[George Clinton]
Here's my chance to dance my way
Out of my constriction
Gonna be freakin' up and down
Hang up really late
The groove I only got
We shall all be moved
Ready or not, here we come
Gettin down for the one which we believe in
One nation under a groove
Gettin down just for the funk of it
One nation and we're on the move
Nothin can stop us now

{Yeah.}
Dance, sucka, dance!

{Yeah, heh heh. And it don't stop. Sheeeit.}

Givin' you more of what you're funkkin' for
Aw, feet don't fail me now! Ha ha!
Givin' you more of what you're funkkin' for
Do you promise the funk {yep}, the whole funk,
Nothin but the funk?
{Hit you with the bop gun, heh,
Buss a cap with my bop gun,
Gotta hit you with the bop gun,
Buss a cap with the bop gun, hit you with the bop gun,
Buss a cap with the bop gun, heh, 'cause I'm the top
gun...}
Ready. {yep} Ready. {yep} Ready. {yep, come on}
Ready or not, here we come
Gettin down on the one which we believe in

[Verse 2: Ice Cube]
If you hear any noise, it's just me and the boys
Playin with our toys
M-1, cuz everybody's gotta have fun
Under the sun, under the sun
So rough, so tough when I get down
The disco fiend with the monster sound
I wants to get fucked up when I'm chillin', whoa
The bigger the headache, the bigger the pill-in
You let her funk me 'cause my funk is the best
Comin from the West
Kickin that shit be occupied, dedicated to the
preservation motion of hips

Hittin them dips, cd skips but I'm straight
As I bounce, rock, skate, now I'll toast to that
If it's rough, make the girls say
"Do that stuff! Aw, do that stuff!"
But ya got to be, you got to be a freak of the week
For the top gun, hit you with the bop gun

One nation under a groove
Gettin down just for the funk of it
One nation and we're on the move
Nothin can stop us now
{Trick! Yeeah!} Jus hit 'em with the bop gun!
One nation under a groove {heh}
Gettin down just for the funk of it
One nation and we're on the move
Nothin can stop us now
{Get up with the bop gun...}
One nation under a groove ('bout time we got down,
one time)
Gettin down just for {the fuck of it, yeahh}
One nation and we're on the move
Nothin can stop us now
One nation under a groove (now everybody say)
Gettin down just for the funk of it
One nation and we're on the move
Nothin can stop us now
Here's my chance to dance my way
Out of my constriction
Feet don't fail me now! Ha ha!
{Get 'em with the bop gun...
I'm a' blast with the bop gun ... heh heh ...
On yo ass with the with the bop gun ...
I'm talkin' trash with the bop gun ... yeah
And it don't stop
And it won't stop}
Here's my chance to dance my wayyy,
Out of my constriction
(Yeahhh, feel the shit now!)
{Oh shit}

... hear ya say Party over here fuck you over there!

Lemme hear ya say Party over here fuck you over
there!
{Oh yeah}
Lemme hear ya say Party over here fuck you over
there!

Lemme hear ya say Party over here fuck you over
there!

Lemme hear ya say Party over here fuck you over there!

Lemme hear ya say Party over here fuck you over there!

Givin' you more of what you're funk'in' for
Feet don't fail me now
(That's right!)
Do you promise the funk
Givin' you more of what you're funk'in' for
Ooo, feet don't fail me now
Can I get it on my good foot, good gawd ...
'Bout time I got down one time
(Can I get down one time)

[Ice Cube]

Do not attempt to adjust your radio
There ain't nothin' wrong, so hit the bong
Waitin' on the double dutch bus for a ride
As the buffalo bitch go round the outside
Put a glide in your stride and a dip in your hip
Got Dayton's on the mothership
And you can ring my bell if you need me to pass
The dutchie on the left hand side for the sale
Cuz nobody knows where the nose goes when the
doors close
Dog chow got the hoes
Lookin' for the theme from the Black Hole
Now I'll big bang you with my black pole
Flashlight, red light, we don't like cops on the bike
Just made bail, tonight
So whatcha gonna do when you get outta jail?
I'm gonna have some fun with the bop gun

(Ready or not, here we come
Getting down on the one which we believe in)
One nation under a groove
(Here is my chance to dance my wayyy)
Gettin down just for the funk of it (One Nationnnn)
One nation and we're on the move
(Get it on my good foot, good gawd)
Nothin can stop us now
(Ha ha ha ha ha haeeee)
One nation under a groove
Gettin down just for the funk of it
One nation and we're on the move
Nothin can stop us now
(Now I want everybody to put together this time ... hit
me!)
One nation under a groove

(Can I get it on my good foot)
Gettin down just for the funk of it
(Bout time I got down one time)
One nation and we're on the move
Nothin can stop us now
(Uh huh, uh huh, one nation)
One nation under a groove
(Can I get it on my good foot)
Gettin down just for the funk of it
(Bout time I got down one time)
One nation and we're on the move
Nothin can stop us now
One nation under a groove (Ooh yeah)
Gettin down just for the funk of it (Ooh yeah)
One nation and we're on the move
Nothin can stop us now (Ha ha ha ha ha haeeee) One
nation under a groove Gettin down just for the funk of
it (Bout time I got down one time) One nation and we're
on the move Nothin can stop us nowwwwww.
