Give me a black goddess, sister, I can't resist her  
No stringy haired, blonde hair, blue eyed  
Pale skinned, buttermilk complexion  
Grafted, recessive, depressive, ironing board backside

Straight up, straight down, no frills, no thrills  
Miss six o'clock, subject to have the itch  
Mutanoid, cauczoid, white cave bitch

[Incomprehensible]

Ease back, white bitch, I don't play that  
Just because I got on my L.A. hat  
Stalkin', walkin' in my big black boots  
Is my jingle, now you want Mandingo

Big, black and handsome  
I should hold your devil ass for ransom  
Sorta like Patty Herst but I'll burst first, bitch  
And you know what's worse

I'm coming from the land where the choppers roam  
So fuck you bitch and your Coppertone  
Stringy hair, no derrier, frontin' and fakin' with your  
silicone pair  
Do I wanna fuck? Not hardly

That's kinda like Barbie phuckin' Bob Marley  
It ain't gonna happen, I keep rappin' muthaphuck  
Teniell  
But see I'm the captain of this ship and I'm true to the  
game  
Ya, all look the same, standin' by my backstage door  
Hopin' that'll switch, spread out you little cave bitch

[Incomprehensible] you're goddamn right, oh yeah  
baby

[Incomprehensible] you're goddamn right, oh yeah  
baby

Why everytime we get famous  
You wanna play us like Andy and Amos?

The devil sent you to try and tame us  
But you can't tame me with no bitch named Amy

Lookin' for the dark meat  
But ho, I ain't tryin' to go out like Barkely  
'Cause everytime I turn on the TV  
I see several brothers with she-devils

Smilin' 'cause you out on a date  
But sooner or later, the bitch'll yell, "Rape"  
Soon as daddy found out you a jigaboo  
He'll kill like he did Emmitt Till

Yah, he tried to kick bass  
But the bitch probably threw it in his face  
Sargent Bale ain't nothin' but a trick  
Nasty as hell, stanky little cave bitch

[Incomprehensible] you're goddamn right, oh yeah  
baby  
You're goddamn right  
[Incomprehensible] you're goddamn right, oh yeah  
baby

White bitches have no blood and [Incomprehensible]  
White bitches have no blood and [Incomprehensible]  
White bitches have no blood and [Incomprehensible]  
White bitches have no blood and [Incomprehensible]

Now don't think that I hate you  
'Cause I won't date you, bitch I gotta stay true  
You could be a fan but don't expand  
And try to get my dick in your hand

You better run to the minute man  
Pale as snow, so act like y'know  
'Cause if I slap it, flip it, and rub it like that  
Yeah, it gotta be black

Plus yo ass too flat  
I need a butt big enough that can clap  
Rat-a-tat-tat, you can't get mine ho  
I'd rather fuck an albino

At least I know, she's comin' from the Nubian  
And not the Ku Klux Klan that you be in  
And I don't give a fuck if your family is rich  
You're still a little cave bitch

[Incomprehensible] you're goddamn right, oh yeah  
baby

You're goddamn right  
[Incomprehensible] you're goddamn right, oh yeah  
baby

[Incomprehensible] you're goddamn right, oh yeah  
baby  
You're goddamn right  
[Incomprehensible] you're goddamn right, oh yeah  
baby

[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]  
[Incomprehensible]
