Yeah, yo, check it  
Turn me up a little bit on the mic

I flip shit for gang bang niggaz  
I talk shit for insane niggaz

Click clack, get back 'fore you niggaz feel that

Understand, I come from south central  
Motherfuckers don't know what I been through  
I keep my motherfuckin' heat in my igloo  
And it's lookin' for some meat, it can get through

Fuck with me, there will be agony  
In these streets, it will be a tragedy  
Can't you see, it ain't no fag in me?  
If it was I would've joined the academy

I flip shit for gang bang niggaz  
I talk shit for insane niggaz  
I got a clip for you strange niggaz  
Click clack, get back 'fore you niggaz feel that

Click clack, get back 'fore you niggaz feel that  
(Get back)

(Y'all better get the fuck back)

I never take shit from rappers  
I turn them motherfuckers into cadavers  
I'm fuckin' mo', niggaz than Napster  
'Cause youse a trick and your Ghost Rider is Casper

I heard you lost on Fear Factor  
'Cause you couldn't swallow deez nuts big as a tractor

You dumb bitch think I'm an actor  
And a nigga couldn't get close enough to slap her  
(Word up, bitch)

Ice Cube, understand it's real  
I'm the nigga of steel, got you 'killin' at will'  
Got my nigga a deal, he tried to fuck me and steal  
I love the nigga but he now feelin' the chill

It's west coast, east coast  
(West coast, east coast)  
South side, worldwide  
(South side, worldwide)  
North side, let's ride  
(North side, let's ride)  
Let's do it 'til God and the Devil collide, come on

I flip shit for gang bang niggaz  
I talk shit for insane niggaz  
I got a clip for you strange niggaz  
Click clack, get back 'fore you niggaz feel that

Click clack, get back 'fore you niggaz feel that  
Click clack, get back 'fore you niggaz feel that  
Click clack, get back 'fore you niggaz feel that
