[Verse 1]

This shit is crowded
When the whole place crowded, Iâ€™m about it
And when a nigga is about it, donâ€™t doubt it
Iâ€™ve got a pocket full of evil, gettinâ€™ love from my
people
You donâ€™t wanna see the sequel, if you see itâ€¦
Everything you wanna be, Iâ€™mma be it
Everything you wanna do, Iâ€™mma do it
The best you ever smoked, I probably grew it
Iâ€™m the fluid and I flow like the ocean
This chickens need lotion
Even use moisturizerâ€¦ need coachinâ€™
Iâ€™m so West Coastinâ€™, Iâ€™m so slow motion
Baby wanna put it in my face and crank it open
But baby, just put it in my pocket â€™cause itâ€™s open
And please stop hopinâ€™ that a nigga is elopinâ€™
â€™Cause I ainâ€™tâ€¦
Iâ€™m goinâ€™ straight to the bank
And if I have another drink it might be the whole tank

[Hook]

This shit is crowded â€“ Iâ€™m buffaloing hoes
Iâ€™m throwinâ€™ â€™bows in bones, I might break your
nose
This shit is crowded â€“ Iâ€™m buffaloing hoes
Iâ€™m throwinâ€™ â€™bows in bones, I might break your
nose
This shit is crowded â€“ Iâ€™m buffaloing hoes
Iâ€™m throwinâ€™ â€™bows in bones, I might break your
nose
This shit is crowded â€“ Iâ€™m buffaloing hoes
Iâ€™m throwinâ€™ â€™bows in bones, I might break your
nose
This shit is crowded

[Verse 2]

When the whole place crowded, Iâ€™m about it
And when a nigga is about it, donâ€™t doubt it
I like it wet and sweaty
Hot as the Serengeti, bustinâ€™ nuts, bustinâ€™ cherries

And it's on...
It ain't never, ever off
Unless you're talkin' 'bout the fuckin' lights in my
loft
Unless you're talkin' 'bout the fuckin' Porsche
pullin' off
And niggas passin' out when they smell that exhaust
And it's on...
I keep it turned up and burnt up
When you gon' learn? I'm a head turner
Rich as Ted Turner, fuckin' Tina Turner
Hope that concern ya, get the fuck out the way
Warriors, warriors, please come out and play
You can't keep up, we in the fuckin' Milky Way
And when I come back, these niggas all better pray
It ain't a good day, I might have my AK

[Hook]

[Bridge]

For me, MC means "move the crowd"
For me, MC means "move the crowd"
For me, MC means "move the crowd"
For me, MC means "move the crowd"

[Verse 2]

We packed 'em all together
Like sweaty ass cracks (sweaty ass cracks)
We packed 'em all together
Like sweaty ass cracks (sweaty ass cracks)
This shit is crowded
I see some of y'all love it
You hope the chick in front of you might try to rub it
But slow the fuck down, 'cause your jeans are too
hard
I don't go stupid, I'm a retard
I'm the one pushin' when the crowd get to moshin'
And if I stage dive 'em you my cushion
And when I'm all about it, you can read all about it
Five in the shotty when I'm in the building, and...
