### "Don't Make Me Hurt Ya Feelings"

*[Ice Cube]*

From hood to hood, sea to shinin sea  
Let this be the anthem, when you niggaz see me  
Fuck 'em, uh-huh

*[Chorus]*

When I'm on the block, and you see me chillin  
With that drop-top, don't let me hurt ya feelings  
When I'm in the club, lookin like a million  
With that bitch you love, don't let me hurt ya feelings

*[Ice Cube]*

Tick tock, niggaz see me on the block  
and they stomachs drop, cause I'm so fuckin hot  
Now, you know my M.O. pull up and blow the horn  
She runs out at night and comes back in the morn'  
Leave these niggaz lookin like Children of the Corn  
Ain't nuttin in the world like a bitch nigga scorned  
Forewarned if you thinkin 'bout this porn  
It may result in yo' drawers gettin torn nigga  
I'm Jose Jackson last born  
I'm a rooster, Foghorn Leghorn  
Youse a loser, get your feelings hurt when I seduce her  
She turn my dick to stone just like Medusa  
Mad cause I got my dick sucked, and my balls licked  
Faggot niggaz come out the closet  
You know that bitch you like that's throwin the P  
You know that bitch you like is goin with me

*[Chorus]*

*[Ice Cube]*

Let the fo' chrome blow ya dome, nigga I'm the king of  
Rome  
Jim Jones these hoes into my living room  
Niggaz get jealous, at the Goodfellas  
"He's a hot dog~!" Nigga add relish  
Papered out, lay you out, fuckin with my paper route  
Take you out so momma cain't make you out  
When I creep niggaz read 'em and weep

When they peep I'm a fuckin wolf dressed like a sheep  
So fresh, so clean, so nice, so mean  
She's a motherfuckin fiend for this niggarole supreme  
(yeay-yay)  
Hoes scream they wanna be on my team, but uhh  
It's a dream like Martin the King  
Heartbreaker, money taker, nigga, it's my nature  
to shake her, soon as a nigga break her  
And I'm done, you can have her back  
Sucker niggaz askin where yo' ass was at

*[Chorus]*

*[Ice Cube]*

My hood, yo' hood, niggaz up to no good  
Get your shine on, please make it understood  
Get your grind on nigga 'til it's all good  
Run up on these 24's - wish you would

I wish y'all bitch niggaz would  
Swizz Beatz wanna give you crybaby niggaz a pacifier  
When you see us comin get to runnin *[fades out]*
