[School bell ringing]

[Kids shouting]

Man: Ain't nobody talkin' when I'm talkin' fellas so shut the fuck up.

Fall ain't 9 'em's you blist in the envelope as I call a mom.

And empty wallet, legal paperwork, first 3 out of the 10.

And the single file on the bench, let's go

Open your mouths, count your tongue, bend your ears one at a time

Okay, bend your heads over, shake 'em out with your fingers

Hands above your head, hands up in front of you

Over

Move those fingers

Reach down and lift your nutsacks

Drop your nutsacks and skid you dick

Turn around

One foot at a time, pick up and wiggle your toes

Other foot.

Bend over grab your ass spread your cheeks and give me two big coughs.
