You know it ain't no stoppin' all tha doggs I'm droppin'  
It's Friday night so everythang is poppin'  
I got skin lets spin on da hand  
So let the games begin

Yakity yak, don't jump back or it's on  
Callin' up Earl on the car phone  
Mack 10 just got out of court rollin'  
Through the hood in his super sport ropin' Too Short

Eighteens got the rear view mirrors vibratin'  
And deep dish day tons, you know how we do it  
Ain't nuttin' to it but the floss  
Overcrowdin' Harrison walks

'Cause if ya fuck wit ours, we leave scars  
Out of G ride cars, livin' like stars  
Might hit tha highway  
On the Vegas run fool 'cause it's Friday

Oh yeah, throw ya neighborhood in the air  
If ya don't care  
Oh yeah, throw ya neighborhood in the air  
If ya don't care

Standin' outside on a Friday livin' on the edge  
'Cause we all got 'dem hard heads  
It's seems like we all are waitin'  
For a drive by playin' tag wit Satan

But we chillin' yeah, we ready and willin'  
Ya hear about the latest west side killin'  
Forty sippin', set trippin', fo' dippin'  
Get the grip in, neva slippin'

BG's tryin' to hang out  
But OG said, "Take ya little ass in the house"  
My big homey just got out  
Used to be down now he's just crack ad

He's bout hard as Darth Vada  
In his sweat shirt, khakis and Chuck Taylors

Just see him in the drive way  
Gettin' beat like a smoka fool 'cause it's Friday

Oh yeah, throw ya neighborhood in the air  
If ya don't care  
Oh yeah, throw ya neighborhood in the air  
If ya don't care

Why must I be like dat and chase da cat  
Or settle for a hood rat  
Dukie braids no dreadlocks  
Flyin' in and out of jail have a chicken and a cock

And I love her 'cause she down  
To fuck around wit the underground pussy hound  
And her ass is big round and wide  
Jacked up makin' nigga down the ride

Smokin' indo, playin' dat Super Nintendo  
Hear a rat, "Tat, tat", on my window  
Gave her ass dat pelvic thrust  
Don't trust the rubber 'cause its bound the bust

In the oven, in the nappy  
I had on two so I was happy  
'Cause dat HIV'll make ya dick hang sideways  
And dat ain't cool fool 'cause its Friday

Oh yeah, throw ya neighborhood in the air  
If ya don't care  
Oh yeah, throw ya neighborhood in the air  
If ya don't care

Throw the west side in da air  
Throw the east side in da air  
Throw the south side in da air  
Throw the north side in da air  
Oh, yeah
