Join the party, I can provide the army

Join the party, I can provide the army!

Join the party, I can provide the army!!

Join the party, I can provide the army!!!

*[Verse One: Ice Cube]*

Come and hear the voice of the man they call the  
Trojan Horse

Ride on the outside, with inner force

Throw you off course, of course, you missed the  
runway

We mash, like the first kickoff, on a Sunday

Collisions, divisions of niggaz, down to listen

And when we on the mission, call your mortician

Join the party, I can provide the army!!

First we flank em then we spank em.. I outrank em!

You can call me Citizen Kane, for my reign

Ten years great, one of the ten great  
Mr. Media, look inside your encyclopedia  
2002, see Ice Cube  
Fuck a five-star, I'm a live star  
What you got to die for? Who you wanna ride for?  
Fuck dying! (Fuck dying!)

Don Mega! *[echoes]*  
*[repeat line 2X]*

*[Verse Two: Ice Cube]*

It's the suspect king of the roughnecks, bonafide  
Worldwide, your highness, the finest

Big as China, nigga rhymer, chart climber  
Quick to send a first-timer back to his Aunt Jemimah  
Physi-cal, nigga roll with the winners  
After these dinners, go out and represent us  
We got antennas, scanners and satellites  
To see if you battle right, we got to bite  
Hold on tight, shake, and pump venom  
Some haters don't learn til you leave lead in em  
See the dead in em, rigarmortis spread in em  
Keep your mouth shut, motherfuckin mouth slug  
See these crossed legs, quick to cross Feds  
Foe to mighty one, it's the mighty son  
Fuck dying! *[echoes]*

Yeah..

Don Mega! *[echoes]*  
*[repeat line 4X, 2X solo, 2X in background]*

Join the party, I can provide the army  
Join the party, I can provide the army!  
Join the party, I can provide the army!!  
Join the party, I can provide the army!!!

Fuck dying!!! I can provide the army *[4X]*

Join the party!  
In the ghetto, in the ghetto  
In the city, the suburbs.. penitentiary!  
Join the party!  
In the county..  
Fuck dying, fuck dying!

Join the party, I can provide the army (yeayayyyy)  
Join the party, I can provide the army! (yeayayyyy)  
Join the party, I can provide the army!! (yeayayyyy)

Join the party, I can provide the army!!! (fuck dying!)

I can provide the army [4X]

Eternal life baby

Eternal life [2X]

..

Hear ye, hear ye!

All connect gang members and powers

are to meet at the West Wing

To be led into battle by the one and only

Ice Cube the Great!
