Maestro
Blame me

You niggaz know my pyroclastic flow
You niggaz know my pyroclastic flow flow
You niggaz know my pyroclastic flow
It's R A W, R A W

You looking at the grand wizard
War lord vocal chord so vicious
And I don't have to show riches
To pull up pull off with some bad bitches

And it ain't about chivalry
It's about dope lyrics and delivery
It's about my persona ain't nothing like a man
That can do what he wanna

Ain't nothing like man on that you knew on the corner
See 'em come up and fuck up the owner
See 'em throw up Westside California
Nigga I'm hot as Phoenix, Arizona

I'm Utah, I got multiple bitches
It's a new law keep a hold of yo riches
Dumb nigga don't spend it as soon as you get it
And recognize I'm a captain and you a lieutenant

I can say what I want to say ain't nothin' to it
Gangsta rap made me do it
If I call you a nigga ain't nothin' to it
Gangsta rap made me do it

I can act like an animal ain't nothin' to it
Gangsta rap made me do it
If I eat you like a cannibal ain't nothin' to it
Gangsta rap made me do it

I'm raw as a dirty needle, choke an eagle
Just to feed all my people, lyrically I'm so lethal
Plant thoughts in they mind just to defeat you
Ice Cube is a saga y'all spit saliva and I spit lava

I got the fearless flow
Don't get near this ho' if you sacred to go
I keep it gangsta and why should change that
Fuck you all you motherfuckers tryin' to change rap

But aren't you the same cat that sat back
When they brought cocaine back? I'm tryin' to get me a
Maybach
How you motherfuckers gonna tell me don't say that
You the ones that we learned it from, I heard nigga
back in 1971

So if I act like a pimp ain't nothin' to it
Gangsta rap made me do it
If I call you a nappy headed ho ain't nothin' to it
Gangsta rap made me do it

If I shoot up your college ain't nothin' to it
Gangsta rap made me do it
If I rob you of knowledge ain't nothin' to it
Gangsta rap made me do it

Thank God when I bless the mic
You finally get to hear the shit that you like
A nigga talkin' 'bout real life so you can try to get this
shit right
Use your brain not your back use your brain not a gat

It's a party not a jack
(For real)
Don't be scared of them people
Walk up in there and show them that you equal
(Fuck them, fuck them)

Don't be material a nigga grew up on milk and cereal
I never forgot vane's and imperial
Look at my life Ice Cube is a miracle
It could be you if you was this lyrical

It could be her if she was this spiritual
'Cause me and Allah go back like cronies
I don't got to be fake cause he is my homie

If I sell a little crack ain't nothin' to it
Gangsta rap made me do it
If I die and I rap ain't nothin' to it
Gangsta rap made me do it

If I take you for granted ain't nothin' to it
Gangsta rap made me do it

If I fuck up the planet ain't nothin' to it
Gangsta rap made me do it

You niggaz know my pyroclastic flow
You niggaz know my pyroclastic flow flow
You niggaz know my pyroclastic flow
It's R A W, R A W

Oh yeah, and another thing
For all ya niggaz that don't do gangsta rap
Don't get on TV talkin' about gangsta rap
'Cause 9 times at a 10 you don't know the fuck you talk
about
Talk about that bullshit rap you do, stay the fuck out of
mine
