You are the prince of darkness, arch enemy, father of evil

Hell born, demonic, savage, fierce, vicious, wild
Tameless, barbaric, ungovernable, uncontrollable,
obstinate beast

Horny little devil, you gotta back up
Horny little devil, you can't bust a nut

Lookin' at my girlfriend's black skin
You wanna jump in but she don't like white men
So don't throw that work you fuckin' jerk
Or get your punk devil ass hurt, motherfucker

She ain't with the pale face
'Cause y'all fuck at a snail's pace
And you might get sprayed with mace from the ebony
So when she's doin' her job you better let her be

Don't try to pinch the gluteus
Thinkin' that you're about to knock out the uterus
'Cause she'll tell you to kiss her ass quick
And where I'm from, devils get their ass kicked

Mr. Sexual Harassment
Askin' for a blow and when the answer is, "Fuck, no"
Looks like you wanna terminate
But that's when I go psycho like Norman Bates

I wanna kill the devil for talkin' shit
'Cause he can't get a taste of the chocolate
African breast 'cause white bitches
Have no butt and no chest

Black women have bodies like goddesses
Sorta like Venus but put away your penis
'Cause the devil is a savage motherfucker
That's why I'm lighter than the average brother

'Cause you raped our women and we felt it
But it'll never happen again if I can help it
(Me, neither)

'Cause nobody in my neighborhood has caught jungle
fever yet
So horny little devil, you better listen
Before your ass comes up missin' and it's like that

I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)

I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)

Now you wanna get me
Horny little devil must be a F A G
Tryin' to fuck me out my land and my manhood
Have me broke eatin' spam and canned goods

Lockin' down on my neighborhoods
Treat me less than a man 'cause right now you got the
upper hand
But my ass is a virgin, you might have fucked the
Indians
But you can't surgeon me

And when I'm on top, I won't be fuckin' ya
I'd rather put a buck in ya
'Cause I hate the devil with a passion
And when I see the whites of his eyes I start blastin'

Dig a hole and throw his ass in
And I won't be happy 'til I'm down to my last ten
Get his fuckin' pitchfork
Tie him up and then feed the bitch pork

Little devil can't fuck me out my pay
'Cause horny little devil true niggaz aren't gay
And you can't play with my Yo-Yo
And definitely you can't play with me, you fuckin' homo

'Cause we'll blow your head off
And turn that white sheet into a red cloth
Plus when they're all dead
I can cut that jheri juice and get a bald head

Then let it nap up
Go down to the corner store and beat the Jap up
Clean all the crap up out my city
Now the whole block look shitty

Put his dick on a wood block
Swing, swing, swing, and chop, chop, chop
Now who's the next to nut
Color me bad but you can't sex me up

So don't even try to put your dick on a die
'Cause this is what, why in 1991 and I'ma get my gun
Put an end to the devil
So get a fuckin' shovel

I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)

I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
I'm so horny
(Hey, listen to me)
