I got my locs on, I got my locs on  
You can't see my eyes  
You can't see my eyes  
I got my locs on, I got my locs on  
You can't tell I'm high, you can't tell I'm high

I got my locs on, I got my locs on  
You can't see my eyes  
You can't see my eyes  
I got my locs on, I got my locs on  
You can't tell I'm high, you can't tell I'm high

I got my locs on, welcome to the cherry dome  
I got them carrots on givin' off them faromones  
Women love it when they see me on that motorcycle  
Niggas hate it 'cause they know makin' more than  
Michael

Been ballin' since the word ballin' played out  
They brought it back to describe me in that mayback  
Me and Jezzy Jezzy rollin' wit our locs on  
Smokin' somthin', good fuckin' up the ozone

I got my locs on, I got my locs on  
You can't see my eyes  
You can't see my eyes  
I got my locs on, I got my locs on  
You can't tell I'm high, you can't tell I'm high

Brand new socks ran me a buck fidy  
It must of set u back naw baby, not really  
Shut your ls ya the choppers just silly  
When it bustin' at your ass mean it laughin' at you  
really

I got my locs on dickis on, keep the workin' niggas on  
Keep the cash at Vicky's home, yeah, she keep them  
dickis on  
Keep my locs on, I see you hatin' mothfuckers  
Keep my locs on u know they match my black trucka

I got my locs on, I got my locs on

You can't see my eyes  
You can't see my eyes  
I got my locs on, I got my locs on  
You can't tell I'm high, you can't tell I'm high

I got my locs on 'cause my eyes are burgeny  
And when I get home I don't want the 3rd degree  
The 3rd to be urgen me, these niggas want to murbed  
me  
They scared of the consequences comin' from my  
defenses

It ain't that expensive, have your ass hopin' fences  
Lucky mothafucka missed your ass by some inches  
Next time understand what you fuckin' with is  
legendary status  
Sittin' behind these glasses nigga

I got my locs on, I got my locs on  
You can't see my eyes  
You can't see my eyes  
I got my locs on, I got my locs on  
You can't tell I'm high, you can't tell I'm high
