

Ice Cube "I Rep That West"

Visit "[I Rep That West](#)" on MotoLyrics.com

[Chorus]

Doin my own (own) thang (thang)
And if you got a problem with that
Then the nina go bang (bang) bang (bang)
And I be everywhere on the map but
I rep that West (9x)
(repeat)

[Verse 1 - Ice Cube]

Dont you know that I rep that
Why you got to let that boy in the buildin
Dont you know that he about to kill em
Dont you know that he about to hurt yall feelins
Cant find Ren might as well play the villain
Imma get him, why? Cuz I can't baby sit him
Imma whip him, treat him like bad ass children
Is it evil, yall better call them people
How I get down, just ain't legal
Money long, sorta like Louis Vuitton
I run this shit right here, call me marathon
(Boom) I blow like a cherry bomb
You a small donation bitch, I'm a telethon
West Coast million, what is he really on
Is it that shit that niggas go silly on?
Hell no, the pyroclastic flow is evident (West Side)
And yall know what I represent

[Chorus]

Doin my own (own) thang (thang)
And if you got a problem with that
Then the nina go bang (bang) bang (bang)
And I be everywhere on the map but
I rep that West (9x)

[Verse 2 - Ice Cube]

I rep that dub, I rep that S, Im a monster
West side, Lochness, Im a problem
Matter fact, Im a mess, Los Angeles, so scandalous
South Central, home of so much potential
But if you go there the warfare is mental
Bring your wheelchair you probably gon need it
Leave this motherfucker a paraplegic

Niggas around the world that think they wanna bang
Dont get your ass caught up like Lil Wayne
I am too West Coast for the West Coast
Too Fresnos just to whip toast
Too soul food and burritos
I am down with Angelinos
Go downtown and give a bum a C-note
This my town, I run it, you walk it
You just now learnin the game, I taught it

[Chorus]

Doin my own (own) thang (thang)
And if you got a problem with that
Then the nina go bang (bang) bang (bang)
And I be everywhere on the map but
I rep that West (9x)

[Verse 3]

And if you got a problem with this
Let me know so I can add your fuckin name on my list
All you West Coast DJs check your wrists
If you skiddad the big fish to your playlist
Now, enemies of this industry, Im a
Hall of famer, treated like a stranger
Fuck that, another West Coast banger
Who gives a fuck if they play it in Virginia
Imma play it on Banker, play it on Western
All of bad ass will make your head turn
Motherfuckers wanna take our style
And run that shit 3000 miles
Then, rub your shit all in our face
This war show all at our place, damn
Can a nigga get a lil ol taste
Of some of that shine, it look like mine

[Chorus] x2

Doin my own (own) thang (thang)
And if you got a problem with that
Then the nina go bang (bang) bang (bang)
And I be everywhere on the map but
I rep that West (9x)
(repeat)

[Outro]

Yall know what it is
Is this too West Coast for you motherfuckers?
So what, sanctioned by the OGs of America
The Grand Wizard is a certified G
That mean genius bitch
That mean genius, bitch
