[1] Ay but, what you doin up here anyway nigga?

[2] Man I came up to get some rubbers man, what you doin up here?

[1] No shit? Man, I came up here to get a physical

[1] You know for my job, you gotta get a physical and shit, but..

[2] Really?

[Nurse] Philip Brown to the front desk - Philip Brown

[1] Aw that's me right there, hey man you stay up man!

[Nurse] Philip Brown!

[1] Be careful and shit you know...

[2] Awright then homey!

[Nurse] Philip Brown?

[1] Yeah?

[Nurse] Can I help you?

[1] Ahh, ah-uh-yeah, I'd like to get

[1] I'd like to get a physical

[Nurse] We don't give physicals here

[1] Oh you don't?

[Nurse] No, all we test for is VD, herpes, syphilis and gonorrhea

[1] I'd like to see a doctor

[Nurse] What's the matter, you BURNING?

[1] Huh??

"Stepped out my house, stopped short, oh no.." *[Slick Rick]*

"Why is my thing-thing burnin like this?"

[Nurse] You BURNING?

"Stepped out my house, stopped short, oh no.." *[Slick Rick]*

"What have I, done stuck my duck in?"

[Ice Cube]

I went to the free clinic, it was filled to capacity

Now how bad can a piece of ass be?

Very bad, so I had to make the trip

and thank God, I didn't have the drips

I was there so a hoe couldn't gimme that

Just to get - twenty free jimmy hats

Now look who I see
Ain't that... yeah, that's the bitch from up the street!
With the big fat tail
who always told Cube to go to hell
She thought she was wiser
Now she's sittin in the waitin room, burnin like heat-
mizer
Yeah I see ya
First Miss Thang, now Miss Gonorrhea
Man it's a trip how the world keeps turnin
It's 1991, and look who's burnin

[Chorus One: various samples (repeat 2X)]

"Does it get you hot?"
"It's got me hot!"
"This is a girl playin hard to get.." *[Slick Rick]*
"Burnin up, burnin!"
"What have I, done stuck my duck in?"

[Ice Cube]

Now everybody is a victim, you can go see 'em
and you'll hear more claps than the Coliseum

Sittin there all quiet and embarrassed
Whup - there go that bitch who was careless
I remember - she wouldn't give the cock
to anybody who lived on the block
Now hoe, look what you got
BEND THAT BIG ASS OVER for the shot
Cause somebody is pipin hot
Drippin like a faucet, I'm glad I didn't toss it
Got you a college boy, who was worse than me
and he probably fucked the whole university
Still wanted him to dick you down, kick you down
with some bucks, now who got fucked?
With a nigga for the money he's earnin
but ask for some water bitch, and look who's burnin

[Chorus Two: various samples (repeat 2X)]

"Does it get you hot?"
"Can you get that?"
"This is a girl playin hard to get.." *[Slick Rick]*
"Burnin up, burnin!"
"Why is my thing-thing burnin like this?"

[Interlude: more samples]

"It burns.."
[man moaning in pain, urinating sound]

"Fitfully, sputteringly to it's end.."
{aww shit!!}
".. at which there is, a little surprise"
{That stupid ass..}"BITCH!!!!"

[Ice Cube]

Yo, it ain't my fault you got the heebie-jibbies
but you still try to act like you didn't see me
So I walk over, and say "Hi,
bitch, don't try to act surprised!"
You shoulda put a sock on the pickle
and your pussy wouldn't be blowin smoke signals
Man, this is gonna kill 'em
Guess who got a big fat dose of penicillin?
They'll ask, "Who?", and I tell 'em you
The new leader of the big booty crew
And after the day, I'm sorry to say
You come through the neighborhood, you couldn't give
it away
To a nigga, who's out to get major paid
but you'll have him, pissin out razorblades
But a bitch like you..ll be returnin with the H-I-V, R.I.P.

[Chorus Three: various samples (repeat 2X)]

"You can't trust a big butt and a smile.." *[KRS-One]*
"I'm burning up!"
"You can't trust a big butt and a smile.." *[KRS-One]*
"You can't trust a big butt and a smile.." *[KRS-One]*
"I'm burning up!"
"What have I, done stuck my duck in?"

[Outro]

".. done stuck my duck in?"
"I'm burning up!"
"It's hot.. I'm burning up!"
