I can dig it  
Dog-catcher, dog-catcher  
I can dig it  
Dog-catcher, dog-catcher

Here's another topic I'm addressin'  
So learn a quick lesson about your Smith and Wesson  
Sit your ass back and comprehend  
As I let you know about man's best friend  
Now remember it used to be a dog like Lassie  
But now in ninety-one it's a gun if you asked me  
Just like a Jimmy hat's used for protection  
I use my nine when suckers start to flexin'

'Cause if you run up and try to play mine  
I'd rather have a AK than a fuckin' canine  
'Cause if you shot your gun, and my dog tried to fetch  
her  
Me and the dog's goin' out on a stretcher  
And I ain't with that, so I gotta get that  
Big black gat, aim and I hit that  
Forget about a dog, fool, he'll shit in the den  
Nowadays, a gat is man's best friend

Dog-catcher, dog-catcher  
I can dig it  
I can dig it  
Man's best friend  
Dog-catcher, dog-catcher  
I can dig it  
I can dig it

Here is the reason why Ice Cube pack  
Just in case the little punks try to jack  
I can't put a motherfuckin' pitbull  
Under a coat, in the small of my back  
So I gotta take my Biretta, and I betcha  
It'll probably work, a 100 percent better  
'Cause it'll keep me out of danger  
With sixteen in the clip and one in the chamber

So this goes to all y'all intruders

Beware of the owner 'cause the owner is a shooter  
I don't just wanna give your ass rabies  
I'd rather have your ass pushing up daisies  
And I can't do that with Benji  
Rin Tin Tin or Spuds McKenzie  
Forget about a dog, fool, he'll shit in the den  
Nowadays, a gat is man's best friend

{Just don't let me see you shoot no dogs  
Hey, I got shots fired here, send me another unit  
The profile of a typical American gun owner is this  
Over thirty, white, male, middle class}

Take that motherfuckers
