[ice cube]

I love the sound of gangsta shit in the mornin'

[some guy]

Bitch you know the size

World motherfucking wide

[ice cube]

You ain't got to be in the pen to be in prison

You in the prison of your mutherfuckin' mind

[some guy]

What kinda time we got up here?

[ice cube]

15:30 am

Everything is real on this concrete and steel

Everything is real on this concrete and steel

The warfare is mental

The warfare is mental

[some guy]

Supreme gangster shit

We dream gangster shit

[ice cube]

Now I wanna see if you punk mutherfuckers is paying
attention

I love the sound of gangsta shit in the mornin'
