The Autumn wind is a pirate  
blustering in from sea with a  
rollicking song he sweeps along swaggering  
boisterously

The autumn wind is a raider, Pillaging just for fun  
He'll knock you 'round and upside down  
And laugh when he's conquered and won. (laugh)

Raider Nation Les Go Les Go  
Raider Nation Les Go Les Go  
Raider Nation, Are u ready for some football?  
U aint ready for the football!

U aint ready for them Oakland Raiders, Its the invasion  
of them Oakland Raiders

Are u ready for this football, u aint ready for this  
football. (ahhh)

Here we come baby, just win baby  
Feel the storm of the cold autumn wind baby  
Its the Oakland Raiders get cha mouthpiece  
U in tha black hole with tha black beast  
The same black gold, This is black silver  
Commit-Ment to excellence We deliver  
And we'll play past regulation  
Its the invasion of the raider nation

Raider Nation Les Go Les Go  
Raider Nation Les Go Les Go  
Raider Nation, Are u ready for some football?  
U aint ready for the football!

U aint ready for them Oakland Raiders, Its the invasion  
of them Oakland Raiders

Are u ready for this football, u aint ready for this  
football. (ahhh)

The raider nation is united, when they see them pirates  
the fans get excited,

The opposition get cryin'  
When i hit tha field with my eye patch and my shield  
The silver&black; will attack  
(are u ready for some football)  
The silver&black; will attack  
(are u ready for some football)

Raider nation Les Go Les Go(4x)  
Raider nation We are We are (4x)  
Raider Nation  
Just Win Baby (8x)
