*[GUN SHOT]*

"Ain't nobody talkin when I'm talkin fellas so shut the fuck up!"

*[Slick Rick sample repeats in background:]*

"And who the fuck are you?"

*[Ice Cube]*

Ohh.. steppin up in my motherfuckin uhh..  
Chuck Taylors, Knick kickers, Wallabee's, ??  
On my ass I got the umm.. um.. khakis, 501's  
On my back I got the uhh.. sweatshirt  
You know, with the fat three creases  
Uhh, my t-shirt, Slingshot, uhh.. khaki shirt  
Umm, and I got the K-cutter, in my, in my pocket  
Uhh, got the afro, the braids  
Motherfuckin uhh, rollers  
"You got to believe, somethin.."  
And I just ask my motherfuckin self, uhh  
"I got to believe in me.."  
{"And who the fuck are you?"}  
{"And who the fuck are you?"}

*[Ice Cube]*

To G or not to G, is the question  
And like Smith told Wesson  
I'm shady with the .380 old school diploma  
I'll leave that ass in a coma, so  
If you got a herringbone, \_Welcome to the Terrordome\_  
Two-eleven, sorry Reverend  
Oh my god, gettin robbed  
Reach for the small, "Atomic Dog"  
Hard to swallow, janky as Rollo  
Count to ten, and don't try to follow  
Cause just like Waco, I can take fo' --  
-- ATF, to they death  
Bust a left on Western, go and get a room  
Don't want to be a felon like Stacey Koon  
Get the right bitch, hit the light switch, here we go  
Tap that ass like this - really doe

"You got to believe, somethin.."  
West Side Lench Mob

"I got to believe in me.."  
Cause I'm a motherfuckin G  
Cause I'm a mother-fuckin..  
{"And who the fuck are you?"}

*[Ice Cube]*

Thirty in a holdin tank, catch the vapors  
Make me a pillow out of toilet paper  
Concrete bench kickin off the hemorrhoids  
Ese's deep, don't fuck with dem boys  
Phone check, co-llect call from the baller  
Her mama said please don't call her  
Do-Wah-Diddy, far from +New Jack City+  
Seen one of my peers, "What the fuck you doin in  
here?"  
He said, "One-eighty-seven on the enemy"  
And they treat me like I just shot a Kennedy!  
Deputy bitch thinks she's the Queen Bee  
Ink on my thumb, index, and pinky  
"Sir, what set you from?" Play dumb

"General popu-la-tion"  
Mama put your house up, and I can bounce up  
out this motherfucker, that's why I love ya  
Out like a boss, with a half-pint of sauce  
Got the shit sewed up like Betsy Ross  
What a friend know? Buy some indo  
Never fuck with a silly ho - really doe

"You got to believe, somethin.."  
Really doe, bitch  
"I got to believe in me.."  
Cause I'm a motherfuckin G  
God damn I'm a motherfuckin G  
"You got to believe, somethin.."  
Yup, that's right  
"I got to believe in me.."  
Cause I'm a motherfuckin G  
God damn I'm a..  
{"And who the fuck are you?"}

Knock you out like NyQuil, I'll kill you quick  
You sucker-for-love-ass trick  
So don't run up, wit ya gun up  
Cause I got the back breaker, double pump rump  
shaker  
Cause we can play hookie in the Aqua Boogie  
With concrete Nikes, ya gets no stripes  
Livin unforgiven with the mic on  
And punks runnin like roaches with the light on  
And that's all the shit I'm startin

Bust a cap (ka-kow-POW) like Jerome on Martin  
You lookin for a punk with benefits  
cause you got a baby, that take many shits  
And you know I got a grip like a baby on a tit  
Scopin hopin, thighs open  
But I kick back, six-pack, and hit the Phillie slow  
Hooker hoe - really doe

"You got to believe, somethin.."  
Ice Cube, yup  
"I got to believe in me.."  
Cause I'm a motherfuckin G  
God damn I'm a motherfuckin G  
"You got to believe, somethin.."  
Really doe - West Side  
"I got to believe in me.."  
Cause I'm a motherfuckin G  
Motherfuckin O, motherfuckin G  
"You got to believe, somethin.."  
East Side  
"I got to believe in me.."  
{"And who the fuck are you?"}  
{"And who the fuck are you?"}  
"You got to believe, somethin.."  
South.. Side  
"I got to believe in me.."  
Cause I'm a motherfuckin G  
G, G, G, motherfuckin G  
"You got to believe, somethin.."  
North Side  
"I got to believe in me.."  
{"And who the fuck are you?"}  
{"And who the fuck are you?"}  
"You got to believe, somethin.."  
"I got to believe in me.."  
{"And who the fuck are you?"}
