Keep your hands ringin'.

Ring ding dong ring a ding ding ding dong
Keep your hands ringin'
Ring ding dong ring a ding ding ding dong
Uh yeah.

Hey you sittin' over there (say what?)
You better get up out of your chair (that's right)
And work your body down (yeah)
No time to fuck around cause we gon'...

Fuck you ride on up
So get up and get a move on
And get your groove on
It's the D.R.E. the spectacula'
Interparty I go for your neck
So call me Dracula
As I drain a nigga's jugular vein
And maintain to leave blood stains
So don't complain just chill
Listen to the beats I spill
Keepin' it real
I use Crest
So ain't no cavity creeps in my drill
Still niggas run up and try to kill at will
But get popped like a pimple
So call me Clearasil
I wipe niggas off the face of the earth
Since birth I've been a bad nigga
Now let me tell you what I'm worth
More than a stealth bomba
I cause drama the enforcer
Music floats like a flyin' saucer
Or a 747 jet never forget
I'm that nigga that keeps the hoes panties wet
The mike gets smoked
Once you hear the beat kid
With grooves so funky the come with a speed stick
So check the flaver that I'm bringin'
The muthafuckin' D.R.E.

A keep their muthafuckin' heads ringin'.

Ring ding dong ring a ding ding ding dong
Keep their hands ringin'
Ring ding dong ring a ding ding ding dong.

1 2 for the crew
3 4 for the dough
5 for the hoes
6 7 8 for Death Row
Mad niggas 'bout to feel the full effect
Of intellect so I can collect respect
Plus I check now I'm fend to to end to
To take of this business I need to
Attend to cause my rents due
This rap shit's my meal ticket
So you goddamn right I'm gone kick it
Or get evicted i bring terror like Stephen King
A black casanova runnin' niggas over like pristine
When I rock the spot put the flaver I got
I get plenty of ass call me an astronaut
As I blast passed another niggas ass who thought he
was strong
But I smoke him like grass just like Cheech & Chong
When I flow niggas know it's time to take a hike
Cause I grab the mike and flip my tongue like a dyke
I got rhymes to keep you enchanted
Produce a smokescreen with the funky green and make
your eyes slanted
So check the flaver that I'm bringin'
The muthafuckin' D.R.E.
A keep their muthafuckin' heads ringin'.

Ring ding dong ring a ding ding ding dong
Keep your hands ringin'
Ring ding dong ring a ding ding ding dong.

If you want to get on down
You gotta get on down
Just get on down.

Debonair with flair I scare wear and tear
Without a care runnin' shit as if I was a mayor
But I ain't no politician no competition
Sendin' all opposition to see a mortician
I'm up front never in the back
I step on stage and get faded like a flat top
Your rhyme sounds like you bought em at stop-N-go
Dre came to wax you hoe so just call me mop-N-glo
Many try to but just can't ride wit
I'm 6 feet 2 25 of pure chocolate

Your chances of jacki'n me are slim G
Cause I rock from summer til santa comes down the
chimney
Hoe Hoe Hoe and so as I continue to flow
Yo' I'm just a fly Negro
Check the flaver that I'm bringin'
The muthafuckin' D.R.E.
A keep their muthafuckin' heads ringin'.

Ring ding dong ring a ding ding ding dong
Keep your muthafuckin' hands ringin'
Ring ding dong ring a ding ding ding dong.

Ring ding dong ring a ding ding ding dong
Keep your hands ringin'
Ring ding dong ring a ding ding ding dong.
