If you a baller, nigga I'm a hall of famer

Lion tamer, with 2 .45th flamers

Understand, that yo' life's in danger.

Didn't your mama, tell you not to talk to strangers?

Lil' nigga, I'm the Hillside Strangler

Have a banger, callin' for the Lone Ranger

Most rappers, they wanna fuck sangers

I'm a nigga, that wanna bone T'Penga

G4, pull it up out the hanger

A lil' something, to fuel you niggas anger

The swine, I'm your face rearranger

In a mansion 'cause Jesus born in a manger

Muthafucker, belong on Jerry Spranger  
I'm a gangsta, up in your CD changer  
I'll gank ya, for 20 bucks then I'll thank ya  
Police, still get the middle fanger.

[Chorus: Ice Cube]

This is West coast nigga thinkin'  
California quicksand got a nigga sinkin'  
I can give a fuck what you niggas drinkin'.  
"Smoke Some Weed!"

Mama in the bathroom leave her ass alone  
'Cause she probably takin' chronic straight to the dome

With a big Zulu bitch nigga gettin' blown  
Watch your tone, if your wear Coppertone  
Go back to Africa used to be a theme song  
I'm in the zone. Do anybody got a zone?  
I ain't your papa, but Daddy is a rollin' stone  
Youse a clone, who don't know the shit you on  
Unless it's on, another fuckin' ringtone  
I'm in a room with 2 bottles of Patron  
You need a loan, to fuck with the Family Stone  
Nigga go on, tell 'em Ice Cube is home  
Gorilla niggas, here come King Kong.

[Chorus: Ice Cube]

This is West coast nigga thinkin'  
California quicksand got a nigga sinkin'  
I can give a fuck what you niggas drinkin'.  
"Smoke Some Weed!"
