Don dadaa, uhh, uhh, yeah
You can't see me but you can feel me
You can feel me, you can feel me

It's the world famous, supreme team show
Supreme team show, show, show, show
It's the world famous, supreme team show
Supreme team show, show, show, show
Look at me

I be the one that you love to hate
I be the one that's from out of state
I be the one with the nickle plate
I be the one with the mean face

I be the one with the bad taste
I be the one that you worry 'bout
I be the one that make ya hurry out
I be the one that make your mama shout

I be the one that's the cleanest
I be the one with the niggas
And guns that's the meanest

Supreme hustle, I got supreme muscle
I call 'em team tustle, whatcha call it?
Supreme hustle, I got supreme muscle
I call 'em team tustle

You be the one that we laugh at
You be the one that can't have that
You be the one to get your ass cracked
You be the one that's takin' live rounds

You be the one that's got to run from them
bloodhounds
You be the one with the eight babies
My seven ladies still dressin' like the eighties
You be the one that just checked in emergency
You be the one that's a die in need of surgery

Supreme hustle, I got supreme muscle

I call 'em team tustle
Supreme hustle, I got supreme muscle
I call 'em team tustle

It's the world famous, supreme team show
Supreme team show, show, show, show
It's the world famous, supreme team show
Supreme team show, show, show, show

We be the ones that your woman love
We be the ones that your fellas hug
We be the ones that you jealous of
We be the ones with the big guns

We be the ones with the six-uns
You should get one
We be the ones with the dirty spirits
We be the ones with them bomb ass dirty lyrics

We be the ones that your kids like
We be the ones that make you beat your wife
And hate your life

Supreme hustle, I got supreme muscle
I call 'em team tustle
Supreme hustle, I got supreme muscle
I call 'em team tustle

Supreme hustle, I got supreme muscle
I call 'em team tustle
Supreme hustle, I got supreme muscle
I call 'em team tustle

Automatic
Uh huh, yep, uh huh, yep

It's the world famous, supreme team show
Supreme team show, show, show, show
It's the world famous, supreme team show
Supreme team show, show, show, show

You got to hustle a dot, no lie to all my people
That's down to survive, gone and ride
Hustle a dot, no lie, to all my people
That's down to survive, gone and ride

Hustle a dot, no lie, to all my people
That's down to survive, gone and ride
Hustle a dot, no lie, to all my people
That's down to survive, gone and ride

Get ya ride on
(Gone and ride)
Hustle man hustle man
(Gone and ride)

It's automatic
Ice Cube, incredible, yeah
I'm on the grind all the time
Hustle man, hustle man, hustle man
