"The Big Show"

Visit "[The Big Show](#)" on MotoLyrics.com

They call me Hollywood (Here come the big show)
They call me Hollywood (Here come the big show)

Watch me hit the corner on these muthafuckas

[Hook]

They call me Hollywood (Here come the big show)
They call me Hollywood (Here come the big show)
Let a bitch know!

[Verse]

See my nigga Snoop is always up in the coupe
And my homeboy Dub you know I'm fuckin' with cuzz
See my nigga Game you know
He's running with bloods
Boy you know the name Ice Cube
Show me love
My homie \$hort
Catch him at the airport
That Crazy Toones always high as the moon
That nigga June he is the brother of Bone
And he got a gun that's the color chrome
See my nigga Tony Draper always chasing the paper
And he always keeping gangsta
Bitches catching the vapors
See my homie Starr
You might not know who he are
He in the club with his locs on up in the dark
Boy that nigga Keeb
Get whatever you need
See we call him Bo
Nigga check his M.O.
These are the people I know
These are the places I go
This is my world muthafucka

Just one big show

[Hook]

What you see muthafucka

V.I.P muthafucka

What you see muthafucka

This is my cousin BR

He's just like my right arm

He might fuck you with charm

But don't be alarmed

This is my nigga Big Hurk

He's just like an expert

In the business of hurt

See my nigga do work

That's my son Doughboy

And if you get him annoyed

He might drop 'yo ass off

And pull out his Droid

Oh My Goodness

OMG is his brother

Cause of his ass

I got to move from daughters to mothers

Like Jinx always up in the pink

Smell his finger and I bet that muthafucka will stink

See my homie Deion ain't fuckin' with no peon

And that nigga Kobe you know he's going for 40

[Bridge 2x]

These are the people I know

These are the places I go

This is my world muthafucka

Just one big show

[Hook]

Do I know Denzel?

Yeah I know Samuel L.

I got love for Mike epps

That nigga funny as hell

Did I talk to Dr.Dre?

Have I seen MC Ren?

Every now and then please don't ask me again

Me and Greenfield been down since '80

I miss rolling in Mercedes with my homie K-Dee
I put money on the books for my nigga J-Dee
See Shorty is a Muslim use to be crazy
I ate dinner with Martin
And had meetings with Magic
Chopped it up with 2Pac
Before it was a tragic

[Bridge]

They call me Hollywood
Red carpet
V.I.P. bitch
They call me Hollywood
Complimentary everything

[Hook]
