Google me bitch, I told her, won't cha  
Google me bitch, ah won't cha, ah won't cha  
Google me bitch, yeah I told her  
Won't cha Google me bitch  
Try to Google me bitch, listen

I ain't ghetto, don't you know I'm urbanian  
Fuck with the kid and I'll turn into Damian  
Google me bitch, wanna know what my name is  
Don't even ask, stupid ass, am I famous?

Are you famous? My resume is heaven's way  
Of tellin' y'all that God will make a way  
I rock a motherfuckin' mic 'til the break of day  
Darrell Dawkins flow, y'all need to make a breakaway

Microphone fiend with that guillotine killer team  
You motherfuckers won't amount to a hill of beans  
When I ride by, well over thirty five  
Y'all still run and hide, scared of a drive-by

I ain't ghetto, don't you know I'm urbanian  
Google me bitch, wanna know what my name is  
I ain't ghetto, don't you know I'm urbanian  
Google me bitch, wanna know if I'm famous

Google me bitch, ah won't cha, ah won't cha  
Google me bitch, ah won't cha, ah won't cha  
Google me bitch, I told her, won't cha Google me bitch  
Try to Google me this

I'm urban and ordained  
Your little ass is kind of churban and propane  
Your little flame is like a flicker  
And my bang is off the motherfuckin' Richter

I'm hard liquor, Cirrhosis of the liver  
Black lung is what I deliver  
That's what you get, if you ever try to smoke the nigga  
Don't provoke a nigga, I'm from that urban community  
Lookin' for some unity, fuckin' you and me

I only bang shit true to me  
With iced out jewelry, what can they do to me?  
Nothin', I only bang shit true to me  
With iced out jewelry, what can they do to me?

I ain't ghetto, don't you know I'm urbanian  
Google me bitch, wanna know what my name is  
I ain't ghetto, don't you know I'm urbanian  
Google me bitch, wanna know if I'm famous

Google me bitch, ah won't cha, ah won't cha  
Google me bitch, ah won't cha, ah won't cha  
Google me bitch, I told her, won't cha Google me bitch  
Try to Google me this

My resume is heaven's way  
Of lettin' you know that God will make a way
