Nasty girl, nasty girl, in ya own little nasty world
Nasty girl, nasty girl, in ya own little nasty world
Nasty girl, nasty girl, in ya own little nasty world
Nasty girl, nasty girl, in ya own little nasty world

We just smokin', drinkin' and fuckin'
And we ain't dumpin' nothin', baby, who are you lovin'?
(Who loves you, baby?)

We got a room full a clownin'
And baby here got the mean stark, got me frownin'
And we 'bout it like them niggas from Orleans
And puts it down like we court grime from green to
green

Make ya scrilify any means, fuckin' up any schemes
Or any plots that you got, you best had get rocks
We gets knots, 40 ain't the lots, fuck a mule
My lil nigga hit the fuel and traffic bitches bust you

To get used by the clique with the bomb dick like the
fuse
Like Noah, take 'em in two's for 40 days and 40 nights
In the double tree up 40 flights

We just smokin', drinkin' and fuckin'
And we ain't dumpin' nothin', baby, who are you lovin'?
(Who loves you, baby?)

We just smokin', drinkin' and fuckin'
And we ain't dumpin' nothin', baby, who are you lovin'?
(Who loves you, baby?)

We can see that you fuck wit too many stars
We can tell 'em how you fuckin' up that mini bar
Already know you probably worked at the titty bar
We see yo titties and yo ass got you pretty far

Fly bitches ain't impressed by a lil' gold
But soakin' wet off the power that a nigga hold
All [unverified] that a nigga fold
Bust a load, just as soon as we get you blowed

Get ya purse and ya pager, don't forget ya coat
Before ya leave, slip ya other girlfriend a note
Tellin' her to shake you and bring back a quote
You get my vote for the one with the deepest throat

We just smokin', drinkin' and fuckin'
And we ain't dumpin' nothin', baby, who are you lovin'?
(Who loves you, baby?)

We just smokin', drinkin' and fuckin'
And we ain't dumpin' nothin', baby, who are you lovin'?
(Who loves you, baby?)

I know this is a gang o' bitches by the silhouette
Niggas ran through a few and ain't finished yet
'Coz when it come to the hoes and time to get it wet
We only keep the startin' 5 like the pinatech

They hit us off wit the tongue fo' the nut licks
And follow through to duck 6 and butt licks
Nigga fuck tricks, they in the back wit they legs up
And I'm gon' tell you how I want it, whether head or
guts

I'm spread nuts, set it up, I show you how to wet it up
2 and 3 to 4, how this nigga kept it up?
Up to bat the 3rd time, nigga struck out
Blamed it on the bitch and told her, "Get the fuck out"

(People say it's dirty, people say it's wrong
They look at our music like it's a nasty song, it's nasty)
Nasty girl, nasty girl, in ya own lil nasty world
Nasty girl, nasty girl, in ya own lil nasty world

(People say it's dirty, people say it's wrong
They look at our music like it's a nasty song, it's nasty)
Nasty girl, nasty girl, in ya own lil nasty world
Nasty girl, nasty girl, in ya own lil nasty world
Nasty girl, nasty girl, in ya own lil nasty world
Nasty girl, nasty girl, in ya own lil nasty world
