[Ice Cube]

Yeah... yeah!

Fool -- you know how we do it

West Side

Comin from the West Side

Nothin but the West Side

Ain't nuttin goin on but the bomb-ass rap song

Hittin all night long

Just like me on the black and white ivory

Gettin six on artillery, you don't want to see a G

Break yo' ass like dishes

Buster-ass tricks, sleep with the fishes

Runnin from Lennox, up at Venice

They wanna have me in stripes, like Dennis the Menace

But that ain't poppin, ain't no stoppin

Fo'-hoppin, ass droppin, Coupe DeVille

My truth can, ill - fool I got skills

So, back on up 'fore I check that chin

Down as fuck and I'm full off Henn'

You gets no love and I thought you knew it

Fool, you know how we do it

Comin from the West Side

West Side, comin from the West Side

[Ice Cube]

Chillin with the homies, smellin the bud

Double parked and I'm talkin to Dub

about who got a plan, who got a plot

whom got got, and who got shot

Cause everybody knows that he got the info

Crazy Toones hangin out the window

Fool I got them bomb-ass tapes

Da Lench Mob, _Planet of the Apes_

I'm down with Eiht, and _Watts Up_

Kam is solo, they got nuts

When Ice Cube write a sentence

I want "The Bomb," just like George Clinton

S-K-D is down to catch a body

Put on _Knee Deep_, we'll turn out your party
You gets no love and I thought you knew it
Fool, you know how we do it

You know how we do it

[Ice Cube]

Jack B. Nimble, and Jack B. Quick
if you wanna jack me on a lick, cause
I'm that fool from South Central
You think you stuck yourself, with a number 2 pencil
That's how I poke hot lead in yo' ass
With "Mo' Bounce to the Ounce" in the dash
Mash up, Ve-nice, headed for the West
Everything is great, slow down for the dip
On a 100 and 8th and keep mashin
Don't drink and drive to keep the fo' from crashin
Stashin a glock and I thought you knew it
You know how we do it

Comin from the West Side, West Side
Nuttin but a West Side
It's hittin on the West Side
Fool, you know how we do it
