

Ice Cube And Dr. Dre "Natural Born Killers"

Visit "[Natural Born Killers](#)" on MotoLyrics.com

Journey with me into the mind of a maniac
Doomed to be a killer since I came out the nutsac
I'm in a murderous mind state with a heart full of terror
I see the devil in the mirror, buck buck, lights out

'Cause when I get my sawed off, niggaz get hauled off
(Ice Cube, ha ha barrel one)
Touches your motherfuckin' flesh
(Ice Cube, barrel two)

Shoots your fuckin' heart out your chest
You see I'm quick to let the hammer go click
On my tec-9 so if you try to reck mine
Fool it's your bad time, feel the blast of the chocolate
bomber

Infra-red aimed at your head like your name was Sarah
Conner
Decapitatin' I ain't hesitatin' to put you in the funeral
home
With a bullet in your dome, I'm hot like lava
You got a problem? I got a problem solver

And his name is Revolver, it's like a deadly game of
freeze tag
I touch you with a 44 Mag and your frozen inside a
boddy bag
Nobody iller than this graveyard filler
Cap peeler 'cause I'm a natural born killa

Terror illustrates my era, now I can't hang around my
momma
'Cause I scare her, I'm quick to blast motherfucker
(Dr. Dre, yeah what's up?)
It feels like I'm bustin' a nut when I open you up
'Cause your body is exposed to the midnight mist

All you weak motherfuckers give my ring a kiss
'Cause I'm givin' dirt naps comin' with them bomb ass
raps
To make your lungs collapse, perhaps, you never sleep
'Cause every time you doze, you catch blows to the

motherfuckin' nose

Ain't seen the sun, in 66 days
Let me count the ways in a fucked up maze
I never ever ever made a hoe stay
But I'm down with Dre like AC is down with OJ

So fuck how your livin', I'm the unforgivin', psycho
drivin' murderera
It's authentic, don't panic, I can't stand it, goddamn it
Schizophrenic, so fuck Charlie Manson
I'll snatch him out of his truck, hit 'em with a brick
And I'm dancin'

Mass murderer, natural born killa
And I don't wanna die
I don't wanna die, I don't wanna
I don't wanna die

I don't understand the logic in my dreams
But I understand I like the sound of sirens
Terrified screams from the streams of Strychnine
Dumpin' on any motherfucker tryin' to trick mine

'Cause motherfuckers wanna violate
Now they stiff and cold and they pupils won't dilate
It's so much pain, migraine, headache
I can hear his bones break

He steps in the single door
Gets his ass whipped with 20 lashes
Like that dude up in Singapore
So, I'm a pull a fuckin' Jeffrey Dahmer
Now I'm suicidal, just like Nirvana

Tic toc, toc tic toc tic
Dr. Dre and Ice Cube on some murderous shit
Keepin' niggaz in order, makin' there live shorter
Ready to slaughter 'cause to me a life ain't worth a
quarter or a dime

Mushroom's got my mind, hallucinatin', ain't no
debatin'
I'm creatin' an escape route to be out without a doubt
Scot free, so don't even think about tryin' to stop me
'Cause I can't wait, I'm out the gate on the for realla, a
thrilla
Or a natural born killa

Gi-gi gi-gi ga-ga, they call me da-da
6 million ways to murder, choose one

Lose one soul, bodies turn cold
Natural fright from niggaz goin' bump in the night

Should I peely, should I kill her in my iller
Then a natural born killa

Should I peely, should I kill her in my iller
Then a natural born killa

Should I peely, should I kill her in my iller
Then a natural born killa
