Watch ya now it's a destiny thing
We're talk about right now
Everything just in the hands of the almighty
Protect your neck and project your back

Anything can happen anything could be
Anything can happen in your destiny
Anything can happen in your destiny

Partytime the nighttime come get in the mood
Because you gonna have fun
Get in the club and feel the bass a the drum
Pum pum plentiful Lord the gyal cya done
One a dem a come tell her sidong
Kiss off the mouth an she pull out the tongue
Take her a the yark make di baggy come down
You never put silencer on your gun

Oh Lord hear mi iya
Coupla days pass by piss bun like fire
Dial one number go check the doctor
I'm sorry old boy you got goneria

Tekka tekka chance but you never over
Stand dat figa is a killer
