Cu dem no seh dem a chop down tree  
di tree dem serve fi di human to breath  
di way dem treat nature is a idiocy  
dash weh glass bokkle you deh a country  
no badda nasty unu better clean  
look after nature and keep it green  
no badda nasty unu better clean  
look after nature an do mek it bleed  
A weh you ago do when the air it gone  
a weh you ago do a weh you ago do  
a weh you ago do when the acid rain fall  
a weh you ago do a weh you ago do  
a weh you ago do when you step pan glass  
a weh you ago do a weh you ago do  
a weh you ago do when di nuclear blast  
a weh you ago do a weh you ago do  
Nuclear power is stupidity  
dem have it over yasso an have it over sea  
an when you tek a stop dem seh it a leak  
dem better watch di o.z.o.n.e.  
unu better start fi worry an start fi fret  
ca all dem kinda ting deh don't over yet  
seh disgrace seh shame pan you face  
unu better do so'um no fi help di humam race  
How come dem don't dash bokkle na di bin  
mi no no how come mi no no how come  
how come polution increasin'  
mi no no how come mi no no how come  
how come dem don't mek electric cyar  
mi no no how come mi no no how come  
how come you cya drink from di river  
Look after nature  
look after nature  
don't badda mek it spwyle  
look after nature  
look after nature  
respect the earth my child  
A weh you ago do when the air it gone  
a weh you ago do a weh you ago do  
a weh you ago do when the acid rain fall  
a weh you ago do a weh you ago do  
a weh you ago do when you step pan glass

a weh you ago do a weh you ago do  
a weh you ago do when di nuclear blast  
a weh you ago do a weh you ago do  
A weh you ago do when the air it gone  
a weh you ago do a weh you ago do  
a weh you ago do when the acid rain fall  
a weh you ago do a weh you ago do  
a weh you ago do when you step pan glass  
a weh you ago do a weh you ago do  
a weh you ago do when di nuclear blast  
a weh you ago do a weh you ago do  
A weh you ago do when the air it gone  
a weh you ago do a weh you ago do

a weh you ago do when the acid rain fall  
a weh you ago do a weh you ago do  
a weh you ago do when you step pan glass  
a weh you ago do a weh you ago do  
a weh you ago do when di nuclear blast  
a weh you ago do a weh you ago do  
Splish splash pitney nah hear dat  
if polution continue an di sea turn black  
if you ketch a fish it have oil na di mout  
tink just like doo doo an you cya wash it out  
natural there's nothin' like it  
look after it an no badder spwyle it  
natural look after fi you country  
look after it and don't badder spwyle it  
A weh you ago do when the air it gone  
a weh you ago do a weh you ago do  
a weh you ago do when the acid rain fall  
a weh you ago do a weh you ago do  
a weh you ago do when you step pan glass  
a weh you ago do a weh you ago do  
a weh you ago do when di nuclear blast  
a weh you ago do a weh you ago do  
Look after nature  
look after nature  
don't badda mek it spwyle  
look after nature  
look after nature  
respect the earth my child  
Look after nature  
look after nature  
don't badda mek it spwyle  
look after nature  
look after nature  
respect the earth my child  
Look after nature  
look after nature  
don't badda mek it spwyle

look after nature  
look after nature  
respect the earth my child  
Look after nature  
look after nature  
don't badda mek it spwyle  
look after nature  
look after nature  
respect the earth my child  
Look after nature  
look after nature  
don't badda mek it spwyle  
look after nature  
look after nature  
respect the earth my child
