Get ready for the new style new style

Get ready for the new style new style
Get ready time is running out yeah
Get ready for the new style new style
Get ready for year 2000
The moment that were looking lorward too
Some people may say it's brutal
Some people may say it as wonderful
I guess that it's up to me and you

Move I to the C to the move la la la...

Some of them a money maker
Some of them a look like shaper
Some of them a live life by day
An some a dem a tink bout later
Too many many many gun
Too many many man dem mash up
Par par par par parecchio man dem corrupt
Weh dem ago do when dem kya
Find peace and love quick enough
Year two thousand come
And me hafi tell dem tuff luck
Better unu get it together before
The time it run out
Better unu digest this thing
Weh a come out me mouth

Cat couldn't bark and fish couldn't talk
And don't put it pass that telly couldn't walk
Cause things dem a gwarn weh mi no understand
So I man grab the paper for put de pen on
This is a new style style an pattern
Developin fast like car a Japan

Cause this a new style from de future it come
