Oho oho oh
Oho oho oh

Tonight you're on the scene
Try to fulfill your dream
This is from me to you
Just let the vibe come through

Seh I take off me the dirty clothes from the daytime
And I jump in the shower 'bout quarter to nine
Wash my underarm and give my dreadlocks a scrub
Then I dry off myself and then me wash me the tub
Mi put on me trousers then me put on my shirt
Pick up me boot and then mi clean off the the dirt
Put on my crown my jacket pick up me carn
An den me pick mi key shut the door an mi garn

Jump in mi car Shabba on the stereo
Turn the ignition an mi drive off slowly

Take my time because me car it cris and mi
Wah dem for see how mi bombastic

Get me na the mood fi go in the dance hall
When mi reach the vibe the d heart
That's the right kinda crowd mi wah see in the party
