[Suffa]

You won't get far little punk cos I bust pure rhymes

I tear up bars like a drunk on a bus tour I'm

The hideous, insidious, super fly Suffa

Ignorance is bliss and you're a happy motherfucker

Sucker rock a set, I'm like Bobba Fett with intellect

I'm everywhere you go like porno on the Internet

So you don't wanna step, trust me, you been warned

You don't wanna play leapfrog with a unicorn

Leave you torn, you couldn't battle me with that lame
rhyme

You couldn't come hard with two women at the same
time

You walk in the club dipped in jewels and versace

Only gay guys wear that much gold, ask Liberace

MCs act arrogant, I wonder why

If your skills matched your ego you'd be eating humble
pie

Your rhymes are more average than your girlfriend's
looks

And with a face like that, I hope that girl can cook, it's
like that
