I'm the emcee called Ice-T

That's DJ Evil E

Islam creates the beats

You girls look so sexy

I wish you all were up here with me

You drive me crazy with those big ol' butts

Girl, let's get butt naked an' fuck tonight

I tryin' to make this real clear, dear

I've no time to whisper in your ear

No time to remove your fears

I just wanna get near

Get butt naked an' roll around

Move our bodies like up an' down

Do that stuff that your mama call smut

Girl, let's get butt naked an' fuck

Come on, you know you wanna do it too

It's good to me an' it's good to you

I only speak what's true

You say you don't, but I know you do

Come on up to my room

We'll undress by the light of the moon

Lay down an' I'll caress that butt

Girl, let's get butt naked an' fuck

I mean, real stupid an' nasty

I know what you want, so you don't have to ask me

Just lay back an' I'll operate

Jimbraski will go to work an' penetrate

An' then we'll both feel great

Make your move tonight, girl, don't hesitate

We both want it, don't make it tough

Girl, let's get butt naked an' fuck

Homeboys, you know the situation

You're tryin' to rap but they give you frustration

Nose in the air, turnin' you down  
When you really wanna say, ?Yo baby, let's get down?

But you don't, you keep frontin'  
Kickin' conversation, ain't talkin' 'bout nothin'  
When all that's really on your mind is what?  
"Yo, baby, let's get butt naked an' fuck?"

That's right, if you're a man you want it  
If you're a woman you tease him an' flaunt it  
But my crew got to have it  
An' after they dog it, I autograph it

The Syndicate don't lecture  
We move in a group, seduce an' capture  
An' if the posse has good luck  
The girls will get butt naked an' fuck that night

Islam takes the pictures  
An' girls, I'm a say Evil E's gonna get ya  
Get ya illin' in a nude mode  
A double X-rated episode

Hotel rooms cold explode  
When my posse unloads  
Sex in effect, when we're on the road  
Brush it

Throw your hands up in the air  
If you love sex, I know you're out there  
Safe sex that is  
Ya gotta be careful with this 88 sex biz

But that's another song  
Girls, move your bodies sexy an' the brothers will come  
along  
Homeboys, move in on that butt an' say  
Girls, let's get butt naked an' fuck
