Yo check this out a lot of people be gettin' mad  
'Cause I use the word 'nigga' you know what I'm sayin'?  
They don't like the fact that I use the word 'nigga'  
They say you a black man  
Yo, I tell em I'm a nigga they don't understand that  
So I'ma say what I wanna say  
I call myself what I wanna call myself, you know what  
I'm sayin'?  
So they need to stay off my dick, you know?

Damn right, I'm a nigga and I don't care what you are  
'Cause I'm a capital N-I-double-G-E-R  
Black people might get mad 'cause they don't see  
That they're looked upon as a nigga just like me

I'm a nigga, not a colored man or a black  
Or a negro or Afro-American, I'm all that  
Yes, I was born in America, true  
Does South Central look like America to you?

I'm a nigga, a straight up nigga from a hard school  
Whatever you are I don't care, that is you fool  
I'm loud and proud well endowed with the big beef  
Out on the corner I hang out like a horse thief

So you can call me dumb or crazy  
Ignorant, stupid, inferior or lazy  
Silly or foolish but I'm badder and bigger  
And most of all I'm a straight up nigga

That's right, I'm a nigga, you know what I'm sayin'?  
My man Lord Finesse is my motherfuckin' nigga, you  
know?  
Evil E's my nigga, Islam's my nigga  
That's right they're my niggas

I'm a nigga in America and that much I flaunt  
'Cause when I see what I like yo I take what I want  
I'm not the only one that's why I'm not bitter  
'Cause everybody is a nigga to a nigga

America was stole from he Indians, show and prove

What was that? A straight up nigga move  
A low down shame, yo it's straight insane  
Yet they complain when a nigga snatch their gold  
chains

What is nigga suppose to do?  
Wait around for a handout from a nigga like you?  
That's why a low down nigga gets hyped  
But I'm not a nigga of that type

I'm a steak and lobster eatin', billionaire meetin'  
Cash money makin', movin' shakin'  
Corporate jet glidin', limousine ridin'  
Writin' hits, filthy rich straight up nigga  
That's right, I'm a nigga

Now I'ma write this song though the radio won't play it  
But I got freedom of speech so I'ma say it  
She wanna be lez he wanna be gay  
But that's your business I'm straight so nigga have it  
your way

Those who hate me I got somethin' for ya  
A nigga with cash a nigga with a lawyer  
Not a watermelon cheatin' an' eating nigga down south  
But a nigga that'll smack the taste from your mouth

A contemplating thinking, best champagne drinkin'  
Ten inch givin', extra large livin'  
Mercedes Benz drivin', strivin' to survivin'  
All the way livin' and kickin' hi fivin'

Strokin' rap and happenin' deal doing  
Fly in from Cali to chill with the crewin'  
Grindin' groovin' fly girlie grabbin'  
Horny gun shootin' long haired havin'  
Nigga, straight up nigga  
Nigga, straight up nigga

Nigga, that's right fool look at me  
Just the kinda nigga you'd like to hang from a tree  
But all you KKK type grave diggers  
Ease back fool 'cause I'm a trigger nigga

I work real hard for my livin'  
But I don't sell or brake bullshit thanksgivin'  
Sit up like some fool and eat turkey  
That's the day your forefathers jerked me

Shipped us all over here in locks and chains  
Split us up twistin' up a nigga's brain

Now you keep me in constant sweat  
But I'm a nigga that you'll never forget

A black bad, iron clad, always mad  
Fly nigga takin' off from a helipad  
Rolex stylin', buck wilin', cap pilin'  
Sportin' link chinks and medallions

Incollectible high tech, cashin' seven digit checks  
And still breakin' necks  
The ultimate male supreme, white woman's dream  
Big dick straight up nigga
