(Hook)

She gave me the number then she gave me the brain,
funny part about I don't even know ha name.
I don't even know her so I can't even spray her but
I bet she know me (Hell yaaa!).

(Chorus)

I don't know what y'all been told but man I'm a beast
when it come to these h*es.
I love the black ones and red ones too and I swear
that dance got me loving you.
She went low, then lower. I told her in my ice berg voice
girl hold up.
I ain't gon lie baby you live and only for the night
you can be my wife ahhh!

Hey she doin something to a nigga
I follow that a** like I do ha on twitter.
Naw don't leave that out it look good in them tights let
me see that out.
Man I heard they said that imma freak and it's true so
that's what imma be.
Dem niggas ain't me baby imma G so if it's clean then
imma eat uhhh!
So girl pop that pu**y and when I aint around you betta
lock that pu**y.
Imma make you wanna pull out my hair,
screaming ice billion berg while you taking deep
breaths.
So if you need a slider you might as well just slide
with me, imma beat beat that pu**y up until you get
tired and you fall asleep.
Cause you doing that dance that I love,
and if you need you a friend just call me up
And I aint trying to offend ya when I say I wanna f*ck
yazimehh!

(Chorus)

Hold up man I thought you was shy girl.
For the night you officially is my girl.

Sip this here welcome to my world
Drink it all baby doll please do not ear!
Have you ever had sex on the sand, or kissed a girl
while you sexing a man?
You will if I put this X is your hand.
And I heard your head game was the best in the land.
So take this while I roll that crip.
And catch it all when I throw that d*ck.
And I aint trying to hurt you at all but when I give
you this dog you gon damn near fall.
I don't like to brag but I stand real tall and when
I whip out you gon yell "Good Lawd"!
And I don't know what they told you,
but between them sheets I'm a motha f*ckin fool!

(Chorus)
