I sit alone and watch hypocrisy
I will fight
My frustrations ever building
Tensions rise
The air runs thick with hostility
Asking why
My thoughts are boiling and I'm full of rage

I'm at the end
Patience run thin
I think I'll lose my mind
Taking no more
Your death I swore
They will not break my will

I'll make this your darkest hour
Hate will rise
My force will devastate your power
Hear them cry
I vowed to cure my aggravation
Your demise
I'm coming forth to bring a world of pain

I'm at the end
Patience run thin
I think I'll lose my mind
Taking no more
Your death I swore
They will not break my will

Satisfied eradication
Deed is done
Your spirit's dead and finally mine
Now you're gone
My sanity's a fixed condition
Not your pawn
Vindication written with your blood

I'm at the end
Patience run thin
I think I'll lose my mind
Taking no more

Your death I swore
They will not break my will
