My heart is black and my lips are cold
Cities on flame with rock and roll
Three thousand guitars, they seem to cry
My ears will melt and then my eyes

So, let the girl
Let that girl rock and roll
Cities on flame now
With rock and roll

Gardens of nocturne, forbidden delights
Reins of steel and it's alright
Cities on flame, with rock and roll
Marshal will buoy, but fender control

So, let the girl
Let that girl rock and roll
Cities on flame now
With rock and roll

My heart is black and my lips are cold
Cities on flame with rock and roll
Three thousand guitars, well they seem to cry
My ears will melt and then my eyes

An' let the girl
Let that girl rock and roll
Cities on flame now
With rock and roll
