Little Betty ate a pound of aspirin  
She got them from the shelf upon the wall  
Betty's mommy wasn't there to save her  
She didn't hear her little baby call

Dead babies  
Can't take care of themselves  
Dead babies  
Can't take things off the shelf  
Well we didn't want you anyway

Daddy is an agrophile in Texas  
Mommy's on the bar most every night  
Little Betty's sleeping in the graveyard  
Living there in burgundy and white

Dead babies  
Can't take care of themselves  
Dead babies  
Can't take things off the shelf

Well we didn't love you anyway

Goodbye, little Betty  
Goodbye, little Betty  
So long, little Betty  
So long, little Betty  
Betty, so long

Dead babies  
Can't take care of themselves  
Dead babies  
Can't take things off the shelf  
Well we didn't need you anyway  
(Didn't want you)  
(To love you, anyway)

Goodbye, little Betty
