What's the reason for me to be this way?  
I'm lying on the floor  
I've broken through some door  
I don't know how I came to this  
There is blood lust in my eyes  
And someone in my mind saying

I have forced you here  
I'm hiding, right here inside you  
Trapped in here so long  
You'll find me growing in every man

Who is this that speaks to me?  
Tearing down my mind  
My reality  
This must certainly be the one  
What will I pay for this?  
This evil synthesis!  
I'm out of control  
Evil takes my soul

I can feel you inside me  
You're not stronger than me  
I won't let you  
No, you can't have me!

I won't let you destroy me  
You took away my life  
With your wicked seed  
If you're able to take control  
You'll bring damnation upon my soul
