As I reflect on the situation  
A heavy heart for the task at hand  
I witnessed savagery  
Hands tied to destiny

The exodus of the chosen  
As foreseen in the prophecy  
Hiding until it's time  
To cloud all the human minds

When they spoke of the invasion  
We were chosen from ties that bind  
Bloodlines through centuries  
Destined to be the ones to lead

The twelve and I, a new high council  
Absorb the power of the watcher's eye  
High priest resides in me  
The elder involved in often sin
