

## Iced Earth "The Coming Course"

Visit "[The Coming Course](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I walk the Earth just as they planned  
Baptized in fire for my ancient land  
The coming curse ,  
your anti-Christ , I am the  
Watcher's eye vindicate and cleanse the Earth of all  
mankind

For many years I've walked among you  
Through the folds of time and space  
Kingdoms fall, leaders die, as I see fit  
I devour souls of those and pose a threat

### CHORUS

I walk the earth another day  
The wicked one that comes  
this day  
Savior to my own , devil to some  
Mankind falls, something wicked comes

I bide my time planning your fate  
with baited breath.  
The Elder wait  
The coming  
curse, your anti-Christ, I am the Watcher's eye  
For your crimes on our kind you all will die

### CHORUS x1

FORGED IN THE SACRED FLAMES  
ON THE SIXTH DAY  
OF THE SIXTH MONTH  
IN THE SIXTH HOUR

I am your anti-Christ, I will destroy mankind  
Born of the beast and flames I will devour , I will divide

Hellfire rages in my eyes  
Blood will fall like rain this night  
The coming curse, your anti-Christ, I am the Watcher's  
eye  
I vindicate and cleanse the Earth of all mankind

I walk the Earth another day  
The wicked one that comes this way  
Savior to my own , devil to some  
Mankind falls , something wicked comes
